THE MAIN EVENT

Philip Livestock

Welcome to “The Main Event” and “Spring”

The best feeder cattle in the world are sold in this area, making bull-buying decisions important to you and your future. Both heifer bulls and performance bulls will come through the ring, and they will have data to back their qualities. Feel free to contact any of the breeders, or their representatives, about their offerings.

Philip, surrounded by some of the best commercial ranches in western South Dakota, is a hub for cattle country. Ranchers come to town for all their supplies and fuel, with stores for every need, including a lumber yard, implement dealers and vehicle salesmen. Marketing needs are met with Philip Livestock and two grain elevators. Philip has health specialists in many fields, and supports a new school. Whether you need a meal, a fancy coffee, or a cold drink, Philip is the place to be.

Bull Day features several “Production Sales”, along with consignments from top breeders from the area and across the midwest. Many of these breeders have been with us from the beginning and focus their programs on marketing their bulls on “Bull Day.”

Area ranchers are proud of their cattle, constantly improving their genetics. The bull market has been very strong at the production sales across the Midwest this spring. We are very happy with our selection. **All of the bulls that sell at Bull Day will be semen tested and ready to go to work.**

Thanks to all the consignors for the high-quality bulls they have brought to this sale. And.... we take pride in the quality of cattle our producers sell here at Philip Livestock. We enjoy working with both commercial and registered producers, and we all know we are involved in a great industry!

Bring your old bulls and slaughter cows to town, and take home one of these outstanding prospects.

On behalf of Philip Livestock & Crew.... Thank You! And let the sale begin!!

- Here is a calf I'm extremely high on. His sire was the 2017/2018 National Triple Crown winner and show bull of the year. His dam is an amazing individual. She has sold sons for \$16,000 and \$13,500 and has a ton of daughters working in some big programs. This guy is going to add pounds to a calf crop. He is a full ET brother to my other lots.
