THE MAIN EVENT

Philip Livestock

Welcome to “The Main Event” and “Spring”

The best feeder cattle in the world are sold in this area. Now that feeder market and futures have reached all-time highs, your bull buying decisions are all the more important. We are very proud of the 2023 offering here at Bull Day. Both heifer bulls and performance bulls will come through the ring, and they will have data to back their qualities. Feel free to contact any of the breeders, or their representatives, about their offerings.

Philip, surrounded by some of the best commercial ranches in western South Dakota, is a hub for cattle country. Ranchers come to town for all their supplies and fuel, with stores for every need, including a lumber yard, implement dealers and vehicle salesmen. Marketing needs are met with Philip Livestock and two grain elevators. Philip has health specialists in many fields, and supports a new school. Whether you need a meal, a fancy coffee, or a cold drink, Philip is the place to be.

Bull Day features several “Production Sales”, along with consignments from top breeders from the area and across the Midwest. Many of these breeders have been with us from the beginning and focus their programs on marketing their bulls on “Bull Day.”

Area ranchers are proud of their cattle, constantly improving their genetics. The bull market has been very strong at the production sales across the Midwest this spring. **All of the bulls that sell at Bull Day will be semen tested and ready to go to work.**

Thanks to all the consignors for the high-quality bulls they have brought to this sale. And.... We take pride in the quality of cattle our producers sell here at Philip Livestock. We enjoy working with both commercial and registered producers, and we all know we are involved in a great industry!

Bring your old bulls and slaughter cows to town, and take home one of these outstanding prospects.

On behalf of Philip Livestock & Crew.... Thank You! And let the sale begin!!

Charolais

We do not have weaning weights due to losing them in a fire. We weaned on Oct. 10, 2022. These are our top picks from the herd of males. We pick bulls according to what we would use for our own herd. Our carmel bulls are sired by low birth weight and great calving ease background Weber Charolais and Red Angus. The Charolais sire comes from Prairie Valley Charolais and grandsire from Lindskov-Thiel.

Black Angus

Mayer Angus has been raising Black Angus Bulls for 20+ years and has sold the bulls at Philip Livestock for 19 plus years. For the past five years we have used Mogck & Sons Angus Bulls for our sires and for the last three years Mogck Czar 1869 has produced 68 calves. Producing 39 Bull Calves and 29 heifers. These bulls all have low birth weights and all have strong backs and claws. The calves are all worked by Dr. Barz of the Northwest Vet Clinic, Parkston, South Dakota. Our bulls are thick and super powered with the majority having low birth weights. Feed is Golden Sun Bull starter and rations with rolled corn. All bulls have three (3) rounds of all needed shots and wormed and poured. A special thanks to all who have a part in this great event! Thanks to all of you who are a part of this the great cattle business.

As life goes on I must leave this great business of cattle and farming. I need to have a couple of major surgeries. I started farming in 1996 after 25 + years in the US Army. I was on an "A" Team in the US Army Special Forces for 21 of my years. I was blessed to serve and lead some of the best men that ever walked in the US Army!

Thanks to all at Philip Livestock and all you Cattle men and women!!!
