THE MAIN EVENT

Welcome to "The Main Event" and "Spring"

We worked very hard over these past 28 years to put together this All-Breed Annual "Main Event" Breeding Bull Sale. The best feeder cattle in the world are sold in this area. The feeder market and futures have reached all-time highs, especially now, your bull buying decisions are all that more important. We are very proud of this 2025 offering here at Bull Day. Both calving ease and growth bulls will come through the ring, and they will have data to back their qualities. Feel free to contact any of the breeders, or their representatives, about their offerings.

Philip is surrounded by some of the best and beautiful commercial ranches in western South Dakota. It is a hub for the cattle industry. Ranchers come to town for all their supplies and fuel, with stores for every need, including a lumber yard, implement dealers and vehicle salesmen. Marketing needs are met with Philip Livestock and two grain elevators. Philip has health specialists in many fields, and supports a new school. Whether you need a meal, a fancy coffee, or a cold drink, Philip is the place to be.

Area ranchers are proud of their cattle, constantly improving their genetics. The bull market has been very strong at the production sales across the Midwest this spring. All of the bulls that sell at Bull Day will be semen tested and ready to go to work.

Thanks to all the consignors for the high-quality bulls they have brought to this sale. And... We take pride in the quality of cattle our producers sell here at Philip Livestock. We enjoy working with both commercial and registered producers, and we all know we are involved in a great industry!

Bring your old bulls and slaughter cows to town, and take home one of these outstanding prospects.

On behalf of Philip Livestock & Crew.... Thank You! And let the sale begin!!
