**GENERAL INFORMATION:**

\*All guarantees are between buyer & seller.  
 \*Sale order is determined by consignment date and grade.  
 \*Ear tags will be mailed to consignors & it will be the consignors' responsibility to tag bulls to correspond with the lot number before the arrive at Philip Livestock.  
 \*Health papers for out of state consignors: Check with your state vet for requirements for bulls coming into South Dakota to be sold for breeding purposes.  
**\*Fertility papers must be provided.**  
 \*All bulls must have fertility test within 60 days of Bull Day with lot numbers on them.  
 \*All non-virgin bulls must have a negative trich test.  
 \*We recommend that bulls be brucellosis tested, in the event, they go to a state that requires it.  
 \*Philip Livestock Vet: Dr. Justin Scott 605-390-2033
